ALEXANDER BUSINESS CENTER COMMUNITY UPDATE

Re: Alexander Business Center in Response to COVID-19 AFN Emergency Precautionary Measures Plan

Tansi Members

First and foremost, on behalf of the ABC Board of Directors, staff and entities, we want to convey to all of you, please ensure your safety and health during this time. As we face our new reality in our Nations attempts to help fight this COVID -19 Virus, we want to assure you that we fully support the Nations position and are doing everything we possibly can to assist the Nation in its emergency precautionary planning.

To date, like all other operating facilities in the Nation, the ABC office will remain closed until further notice. We will continue to proceed with the current initiatives the business center has been working on and will continue to consider additional opportunities. However, currently, much of our focus and efforts have been coordinating the conveniences of the store for community access and safety. We have taken the recommendations from the Chief and Council very seriously to accommodate the needs for the people. We appreciate your cooperation and compliance in adhering to the increased safety measures put in place at the store and we ask our members to please be patient with our staff during this time.

It is our position that through the strategized efforts made by the Nations emergency response team, ABC will continue to contribute and provide support. As we move into the upcoming weeks of uncertainty around the pandemic trends, we appreciate that our Nation is continuously planning around all areas and responding immediately to the needs of the community.

With that, I would like to conclude by stating that it is in all our best interests to support the Nation in their health and safety measures they have imposed. The importance of self and community isolation is so important at this time and will be a great test of our compliance to ensure that this virus does not enter our community. Please stay safe and stay home.

Kindness and Humbleness.

Regards,
